October, the Month of the Holy Rosary

The month of October each year is dedicated to the Most Holy Rosary. This is primarily due to the fact that the liturgical feast of Our Lady of the Rosary is celebrated annually on October 7. On this day, we celebrate the Holy League's defeat of the Ottoman Empire in the Battle of Lepanto on October 7, 1571. Even though the Turkish forces were very powerful, the Christians won due to the intercession of Mary and the prayer of the Most Holy

Rosary.

According to an account by fifteenth-century Dominican, Alan de la Roch, Mary appeared to St. Dominic in 1206 after he had been praying and doing severe penances because of his lack of success in combating the Albigensian heresy. Mary praised him for his valiant fight against the heretics and then gave him the Rosary as a mighty weapon, explained its uses and efficacy, and told him to preach it to others.

"Since the prayers of the Rosary come from such excellent sources — from Our Lord Himself, from inspired Scripture, and from the Church — it is not surprising that the Rosary is so dear to our Blessed Mother and so powerful with heaven.

"If we consider the power of the Rosary as seen in its effects, we find a great abundance of proofs of its wonderful value. Many are the favors granted to private individuals through its devout recitation: there are few devoted users of the Rosary who cannot testify to experiencing its power in their own lives. If we turn to history, we see many great triumphs of the Rosary.

Early tradition attributes the defeat of the Albigensians at the Battle of Muret in 1213 to the Rosary. But even those who do not accept this tradition will admit that St. Pius V attributed the great defeat of the Turkish fleet on the first Sunday of October 1571, to the fact that at the same time the Rosary confraternities at Rome and elsewhere were holding their processions. Accordingly, he ordered a commemoration of the Rosary to be made on that day. Two years later, Gregory XIII allowed the celebration of a feast of the Rosary in churches having an altar dedicated to the Rosary. In 1671, Clement X extended the feast to all Spain. A second great victory over the Turks, who once, like the Russians, threatened the ruin of Christian civilization, occurred on August 5, 1716, when Prince Eugene defeated them at Peterwardein in Hungary. Thereupon Clement XI extended the feast of the Rosary to the whole Church.

"Today, when dangers far greater than those of the ancient Turks threaten not only Christianity but all civilization, we are urged by our Blessed Mother to turn again to the Rosary for help. If men in sufficient numbers do this, and at the same time carry out the other conditions that she has laid down, we have the greater reason for confidence that we will be delivered from our dangers." May we pray the Holy Rosary especially in this month of October.

GRAND KNIGHT'S MESSAGE

Dear Brother Knights,
 Hope everybody is in good health.

I was trying to compose my message when I read this story which relates to us. The story runs this way:

"A Pastor from out of town accepted a call to a city to propagate Christianity. Some weeks after he arrived, he had the occasion to ride a bus from his home to the downtown area. When he sat down, he discovered that the driver accidentally given him 50 cents above

his normal change.

As he considered what to do, he thought to himself, to give the money back as it would be wrong to keep it.

Then another thought occurred to him to forget it as it is only 50 cents and who would worry about this little amount, accept it as a gift from God and keep quiet.

When his stop came, he paused momentarily by the door and handed the 50 cents back to the driver and told him he gave him too much change.

The driver smiled and asked: "Aren't you the new Pastor in town?"; and he replied, "Yes"

"Well, I have been thinking a lot lately about accepting Jesus. I just wanted to see what you would do if I gave you too much change. I'll see you in church this Sunday"

When the pastor stepped off the bus, he literally grabbed the nearest light pole, held on, and said: "Oh God, I almost sold Christianity for 50 cents"

This is a really scary example of how much people watch us as Christians (Knights), and will put us to the test. Always be on guard, and remember, we carry the name of Christ on our shoulders when we call ourselves Christians (Knights).

This past month, we've been busy,

September 6, we had our Installation of officers before our regular meeting.

September 9 and 10, we assisted in the St. Elizabeth Festival and of course, headed by our DJ, Bro. Andy Dyson, Jr. and thanks Bro. Andy and for those brothers who assisted in the festival.

September 27, we had our Family Potluck and Recognition, This time there were more attendance and more food and of course, the bonding before, while and after eating. It was such a fun. Congratulations to the Knight and Family of the month recipients.

Next Month will be another busy one as we will have the PWID at St. Elizabeth and in Ocean Supermarket. Please watch the schedules and sign up.

We will be having the Evening With Mary Mass and Procession and will be participated in by our Honor Guards @ 6:30 pm on October 13, 2023

So Brothers, please watch out for the program schedules and please make yourselves available for sign up and participate.

Fraternally,

Bro. Manuel Mallabo III,

Grand Knight

PLEASE PRAY FOR:

Brother Melchor Baclig

Brother Bill Poehlman

Brother Skip Yenchik
Brother Timothy Crews
Brother Bill Paulsen
Rev. Paul Weisbeck
Brother Greg Dessel
Brother Ernesto Bautista
And all those listed in the Church Bulletin Prayer List.

PROGRAM DIRECTOR'S MESSAGE

Brother Knights,

I would like to invite all of our Brothers and their families to join in this year's St. Elizabeth of Portugal celebration of "An Evening with Mary" on Fatima Day, Friday, October 13, as our Holy Mother Mary leads us to the Eucharist. Participants will gather in front of the church at 6:15 PM and the procession of Mary statues will begin at 6:30 PM. This will be followed by a Trilingual Mass and finish up with a Fellowship gathering. Please plan to attend.

October is the Month of the Holy Rosary and I encourage each Brother to take his rosary in hand and pray the rosary each day. Of course if you can make time in your busy schedule recite the rosary each day including your family and pray for peace, pray for your needs and pray for the souls in purgatory. To assist you in your planning there is a Novena to Our Lady of the Holy Rosary prayer in this week's church bulletin. Use it to start your monthly endeavor.

The month of October is presenting our council with a busy schedule and we will be looking for as many of our council Brothers as possible to assist in providing the services required. Please look over the calendar for October and plan on attending the monthly Business meeting on October 4, either in person or at least on line, so you can give us a hand in filling the required events with volunteers. Thank you in advance.

Our four Faith In Action Program Directors currently are: (1) FAITH Director - Brother Khai Phan, (2) FAMILY Director - Brother Guillermo Uribe, (3) COMMUNITY Director - Brother Cesar Simon / Brother Frank DeSmidt, and (4) LIFE Director Brother Vinh Nguyen - Each of these Brothers submit the latest information in their area of expertise which can be found in the current bulletin. All Programs that our council participates in are positioned in one of these categories for reporting purposes to Supreme. If you have any suggestions for an event or have an interest in supporting any of our current Programs please contact myself or the Director of that Program category.

Building the Domestic Church Theme for October is - TOGETHER ON MISSION

By understanding its mission, the family can more fully embrace God's plan for the fullness of divine life and love that he wishes to share with the family.

Scripture Reading -Psalm 144:1-3, 9-15

A prayer of thanksgiving for God's faithfulness

Blessed be the LORD, my rock, who trains my hands for battle, my fingers for war;

My safeguard and my fortress, my stronghold, my deliverer,

My shield, in whom I take refuge, who subdues peoples under me.

LORD, hear my prayer; listen to my cry for help.

O God, a new song I will sing to you; on a ten-stringed lyre I will play for you.

You give victory to kings; you delivered David your servant.

From the menacing sword deliver me; rescue me from the hands of foreign foes.

Their mouths speak untruth; their right hands are raised in lying oaths.

May our sons be like plants well nurtured from their youth,

Our daughters, like carved columns, shapely as those of the temple.

May our barns be full with every kind of store.

May our sheep increase by thousands, by tens of thousands in our fields;

may our oxen be well fattened.

May there be no breach in the walls, no exile, no outcry in our streets.

Blessed the people so fortunate; blessed the people whose God is the LORD.

CULTURE OF LIFE NEWS

The Ultimate Warrior Against Abortion: Our Mother

As the month of October begins and Autumn kicks into gear, it's worth looking back on September to recognize that throughout last month, we saw some of the most heinous attacks against pro-life Americans to date. An 84-year old woman was shot in Michigan while having peaceful conversations to advocate for the preborn. A Catholic father-of-7 was arrested by the F.B.I. for the simple act of protecting his young son from an aggressive, threatening pro-abortion clinic escort. This, after law enforcement on the local and state level had not found him guilty of any crimes. And speaking of incidents that are completely senseless and seem all-too targeted at people of faith, President Biden recently lied at a campaign event, falsely saying that the

Catholic Church teaches exceptions can be made in order to kill innocent unborn children. No wonder just 9% of Catholics believe that abortion should be banned.

When the stakes are this high, we have to pull out all the stops. We must pray fervently and endlessly for our American nation, that order might be restored. And who is the greatest warrior against abortion? The one who brings us endless peace? Mary, Our Blessed Mother. Despite a tumultuous month for our movement, we've also been fortunate to celebrate many Marian feast days throughout September. Each of these feasts highlight attributes of Mary that make her a particularly profound intercessor for her precious unborn children.

On September 8, we celebrated the Blessed Mother's birthday, the perfect moment to remember that despite being an all-powerful, omnipotent God, the Father chose to bring his Son into the world through the womb of a young girl. The birth of Mary, the Mediatrix of grace and redemption, was the starting point of that redemptive journey here on earth.

On the 12th came the feast of the Most Holy Name of Mary. While the most popular bearer of this name is the Blessed Mother, the origins of the name go as far back as the time of Moses, whose sister's name was *Miriam*, or

Mary. This Hebrew iteration of the name was likely derived from the Egyptian name *Mry*, meaning: "beloved." Who better to intercede to than the "beloved" of Christ? On September 22nd, we commemorated the day that St. Anne gave her daughter the name, "Mary." In an excerpt from the book *The Mystical City of God*, Franciscan nun Venerable Mary of Jesus of Agreda writes that Anne was commanded to give her daughter this name by choirs of "angelic spirits." She continues that holy angels heard the voice of God the Father say of this name: "It shall be terrible against the power of hell, it shall crush the head of the serpent and it shall win glorious victories over the princes of hell."

September 15th is dedicated to the remembrance of Our Lady of Sorrows. How much must the scourge of abortion pierce the heart of Our Lady? Each innocent death brought about by abortion causes her to relive the crucifixion and death of her Son, Jesus.

We also celebrated the feasts of well-known Marian Saints, such as Saint Mother Teresa of Calcutta (September 5). She identified perhaps better than anyone how abortion twists the very nature of motherhood, how it completely opposes Mary's self-sacrificing love for her children.

"...millions are dying deliberately by the will of the mother. And this is what is the greatest destroyer of peace today. Because if a mother can kill her own child – what is left but for me to kill you and you kill me?"

"While still in the womb of Mary, Jesus brought peace..."

And we mustn't forget St. Padre Pio (September 23) who once refused to give absolution to a woman who had a voluntary abortion until she could prove her contrition was sincere (this was not the only occasion on which he did this). When pressed on this, he said:

"The day that people lose their horror for abortion will be the most terrible day for humanity. Abortion is not only a homicide but also a suicide. Shouldn't we have the courage to manifest our faith before those who commit two crimes within one act?"

Sadly, in America, that day Padre Pio spoke about has arrived. Many are desensitized to the brutality of abortion, and even our baptized Catholic president is legislating away the rights of the most innocent. When our hope in the broken people of our nation dwindles, we must turn to what is heavenly and everlasting for our strength. Our attentions now must be fully focused on the powers we know cannot fail, the victors of every spiritual battle, the battle over abortion being one of the greatest.

I was honored to spend some time this month with Lila Rose, the president of the leading pro-life group Live Action. You may have heard her say recently that despite hostile challenges coming at us from every side, we are in a time of "limitless opportunity" when it comes to changing the trajectory of our nation from pro-death to pro-life. We must pray and act as if this is true, now is not the time to cower in timidity and fear. God's plan will prevail, and the words of His Mother can give us certainty of this:

"Am I not here who am your Mother? Are you not under the shadow of my protection?"

FRATERNAL INSURANCE AGENT'S CORNER

When recruiting new members, speak of the insurance program.

Whenever I meet a new Knight, I ask him 1) Who recruited you? And 2) Did they speak about the insurance program? 9 times out of 10, they say nobody spoke to them about the insurance program. It is important that these prospective members know and understand that – while they are doing the good work for the community and church – we are here for their family.

Additionally, if you are an insurance member (I hope you are!), tell them you are.

Let them know that you trust the Order to protect your family and financial future, and they should too. Be proud of the insurance program. Father Mark Salas in Texas said in a Webinar hosted by our Supreme Office, “The first Field Agent was Father McGivney...”. The insurance program ought to be proudly spoken about by our members.

Of course, it is not your job to “sell” insurance for the Order, and you shouldn't, unless you are a KofC Insurance Agent. However, make the insurance program known to prospective members. This is extremely important.

Every member must know of this fraternal benefit. And if you do not know enough about the insurance program to speak of it – then let's set up a time to review what it is the Knights offer you and your family.

To learn more about how you and your family can benefit from the Order's Insurance program, please do not hesitate to call.

Vivat Jesus!

RECRUITMENT CHAIRMAN NOTES

My fellow Brother Knights of St. Elizabeth Council

8747, as mentioned in previous Council Newsletters, our Council leadership has established an ambitious goal for new membership. **Our 2023-2024 new membership goal is to exemplify 6 new members** into our council (thus far 1 candidate has been exemplified).

Again, this goal is a very realistic and doable, however, it's been my experience that with any successful

organization **Recruitment is a team effort, if we work together as a team many goals will be accomplished.**

Recruitment of new Brother Knights remains a viable life line to the Knights of Columbus and specifically to our Council.

Getting to the point; during the 2023-2024 Fraternal Year, we will need help in recruitment; either by word of mouth or participating in Recruitment Church Drive masses at St. Elizabeth. Currently word of mouth gives us the better opportunity to convert prospects into Brother Knights. I ask, if you belong to any of the church ministries please share with any of the ministry members your experience with the Knights of Columbus, benefits offered through the Knights of Columbus and your own personal experience and why you joined the Knights of Columbus. One thing to keep in mind is the wife; during our recent Church membership drive it was the wife who knew about the Knights of Columbus organization. The moral to this experience is that the wife is a big influence on the husband and of course the family. So don't discount mentioning the Knights of Columbus to wives as she will see the value and the opportunity for her husband to participate with other liked minded catholic gentlemen to better live the faith and to help him become a better husband. So don't keep the Knights of Columbus organization and the St. Elizabeth Council the best kept secret. Sharing our stories of why we joined the Knights of Columbus and the benefits of our organization will help to build our Council membership.

Any questions, you may contact Brother Andy Dyson or myself.

Thank you in advance for your immediate attention and action.

Fraternally yours,

Brother David Ojeda

COUNCIL FUND RAISER
CHAIRMAN NOTES

Brother Knights of Council 8747, As mentioned in previous Council Newsletters, fundraising will be a key activity in building our financial war chest not only to maintain our day to day operations but also to help fund our programs.

During our October Council meeting we will have a guest speaker, speak to us on his experience and volunteer opportunities with the Levi Stadium Concession Stands Knights of Columbus team. During Fraternal Year 2022-2023 members of the 4th Degree, St. Joseph Assembly #2246 were able to raise \$2,500 to support various programs. Not only were we able to raise funds but we were also able to put into practice the principles of 1) Charity: the giving of our time and pay to fund key projects, 2) Unity: we worked together as a team and had fun in the process, 3) Fraternity: as we worked towards a common purpose while further developing our friendship of mutual support.

Additionally, with the start of the 2023 National Football season, as a volunteer you will be part of the home game NFL experience. In addition to the NFL season, there will be opportunities to volunteer at concerts and other events held at Levi Stadium. Consider volunteering today to help keep our Councils financials healthy and to put forth the practice and principles of our Order.
